

## Malaysian Resources (Malaysia): Rights Issue with Free Warrants FTSE EPRA/NAREIT Global Real Estate Index Series

27 September 2017

Malaysian Resources (Malaysia, Non-REIT, Non-Rental, constituent) has announced a rights issue of 1 per 1 at MYR 0.79 (with free warrants on the basis of 1 warrant for every 5 rights share subscribed for). As the rights issue offering includes warrants which are not eligible for index inclusion, the newly enlarged capitalisation of the company will be reflected through the inclusion of a line for the rights (based on their market price), a line for new shares (on a separate line priced with the subscription price), and a further separate line at zero value representing the undetermined value of the warrant. Therefore the market capitalisation of Malaysian Resources will be made up of the existing Ordinary Line (6557867), Nil Paid Line (BF8P2M7), Dummy Call Line (BF8P2S3) and Warrant Line (BF8P2J4). As a result, please see details of affected indexes and effective dates below:
