

Klepierre (France): Tender Offer Informative Notice – Further Update Treatment in FTSE Indices

13 January 2015

Further to the FTSE notice issued on 9 January 2015, it should be noted that in accordance with the offer document, APG, Corio's largest shareholder with an interest of over 30% and therefore currently treated as restricted for FTSE free float purposes will, subject to completion of the offer, be represented on the Klepierre Supervision Board, therefore any Klepierre shares held by APG as a result of offer acceptances will be considered as restricted for the purposes of free float in accordance with FTSE rules.

As previously detailed FTSE will issue a further notice following the results of the post closing acceptance period which will include the number of new Klepierre shares being added to the index together with the corresponding free float.
